

Affect PL & Nathalia - Spin Me Around

(uuu aaaa)

I've got this feeling

I know this will change

It goes right thru me

There's nothing you can't do, instead (no no no)

You've promised that you will change (you will change)

I need to think about it

I need to talk about it

But your not always

Someone who won't understand (someone who understand)

Girl like me and my mind

It goes round round , up and down (round round up and down)

You're not who I thought you were (you're not who i thought you were)

It goes round round , up and down yeah ye

You spin me around like a doll

You spin me around but i don't want it anymore (don't want it anymore)

Just hear me out , you won't change

You promised but i know you're not the one who

Will burning up my heart too (heart too)

Cause my head is back on track (head is back on track)

You won't change, won't change my mind (change my mind)

Not anymore, never again (never again)

I know this ends right now

You spin me around like a doll

You spin me around but i don't want it anymore (I don't want it anymore)

Spin me around, round, round, round

(uuuuu)
